

# CSUA Payroll Process

CSUA's policy for distribution of pay to umpires is as follows:

**Tournament Games (USSSA and Triple Crown ONLY):**

RefPay will be distributed twice per month for umpires who were assigned USSSA or Triple Crown tournament games during that month.

***Note: In the event that a given month is made up of five weekends (there are four such months in a calendar year), RefPay will be distributed THREE times for tournament games.***

**Regular Season Games:**

RefPay will be distributed on the first day of each month for all regular season games.

**(Due to the high volume of games and the number of umpires being paid, CSUA is not able to pay in advance of the date in which funds are scheduled to be released)**
